

PETS

1. Care for an animal or pet for one month and plan with your parents or another adult, how best to feed and care for the animal or pet.
2. Find out about two diseases that could affect your animal or pet and how to prevent them.
3. Identify six kinds of animals and explain the purpose for which each is raised.
4. Learn something about an animal or pet and explain what you have learnt.

(Note: A letter must be produced from a parent or other adult for No 1)
